

Job summary

Our Village of Riverside Glen, in Guelph Ontario is currently recruiting for a full time Nurse Practitioner to join our LTC team

As a Nurse Practitioner you will operate within a well-supported interdisciplinary team to deliver comprehensive care to residents including health assessments, diagnoses, management, evaluation of care outcomes, performing procedures, and counseling. In addition, the NP will identify and implement evidence-based innovations for improving resident care at the individual, organizational and system levels, and lead and collaborate with other members of the team to conduct and/or support care quality initiatives.

As a new Nurse Practitioner (NP) joining our Village in LTC, you will:

- Support and embrace our resident-centred social culture and be proud to deliver the highest quality of clinical care to our residents. NPs are integral to quality resident care and act as an educator and clinician in developing a multi-disciplinary Village team. The Nurse Practitioner will provide a focus on clinical quality improvement outcomes, working with and supporting the interdisciplinary teams in working towards targets in improvement.
- The Nurse Practitioner will provide support and guidance in completing assessments, ordering, interpreting, and communication diagnostic testing and procedures, provide support for and lead resident centred palliative care services, and participate in the clinical review of Village quality initiatives.
- Nurse Practitioners at Schlegel Villages foster exemplary relationships with residents, their families and the Village team to deliver holistic care to our residents and provide specialized clinical services and expertise. They support clinical programs and quality of life initiatives and strive to continuously improve the quality-of-care services provided to our residents.

To be successful as our new Nurse Practitioner you will:

- Hold a current registration as a Nurse Practitioner with the College of Nurses of Ontario
- Have training or experience completing comprehensive geriatric assessments
- Hold a current Heart Save Level of CPR
- Maintain a Current AIS Certification
- Experience leading, coaching and mentoring care professionals in a healthcare setting
- Display a caring and respectful attitude toward our residents, families, and team members
- Thrive in a collaborative, innovative, and person-centered philosophy of care
- Knowledge of relevant policies, procedures, legislation and regulations applicable to the long-term care sector, including the Fixing Long-Term Care Act, 2021 and Health & Safety (strongly recommended)
