

Nurse Practitioner

At Omni Quality Living, our passion is people. Whether you are connected to us through residency, family, or as a team member, you are the driving force behind our everyday care! We are in search of a **Nurse Practitioner** for our **Aurora, ON** Location.

We are seeking a self-directed, results oriented nursing leader who demonstrates strong communication skills, critical thinking and recognizes the importance of relationship building with all team members. You will provide innovative and creative clinical leadership for our inter-professional team to build capacity and support knowledge development in geriatric care; and work collaboratively with our physicians, staff and system partners.

Below are the responsibilities and qualifications needed for the role. But first, let's get into what we can offer you!

The Details

- Evening Part time available
- Salary: \$63.00 per hour
- Flexible work schedule

The Perks

- Dental care
- Disability insurance
- Employee assistance program
- Extended health care
- Life insurance
- On-site parking
- RRSP match
- Vision care

To be successful in this role you will:

- Possess a Baccalaureate Degree in Nursing
- Current Nurse Practitioner Registration with the College of Nurses of Ontario in the Extended Class, with a preferred Master's Degree.
- A minimum of 2 years clinical experience in the care of geriatric clients and adult chronic disease management.
- Possess excellent assessment and clinical skills.
- Have a demonstrated understanding and commitment to Resident-focused care, combined with skill in program development and evaluation, mentoring and educating staff, residents and families, to support clinical best practice.
- Participate in Professional Advisory and Quality Committee activities to help improve and sustain performance of Quality Improvement Plans at Wildwood Care Centre.
- Have a broad understanding of the health care system and the ability to work collaboratively to enable the continued provision of safe and effective systems of clinical care in the South West LHIN region.
- Valid Ontario Driver's License and reliable vehicle.
- Familiar with MS Office applications (word, excel, powerpoint)
- Advanced knowledge, skill, decision making and expertise in the nursing care of complex older adults.
- Demonstrated competency to autonomously diagnose, order and interpret diagnostic tests, prescribe pharmaceuticals and perform procedures within the RN (EC) legislated scope of practice and designated medical directives as appropriate.
- Would be an asset but can be trained:
- Knowledge of the Fixing Long-term Care Homes Act, and associated Regulations
- Knowledge of Point Click Care and RAI-MDS
